

## **A Day in the Life of a Pre- K Camp Theodore Camper**

Our summer Preschool classes are self-contained except for a music class that they attend for 20 minutes each day. Their day consists of Center Time play in the classroom, Story Time twice a day, 30 minutes of playground time twice a day, lunch at 11:00 or 11:30, nap time for one to one-and-a-half hours and a morning and afternoon snack. Campers also take part in our afternoon activities that are developmentally appropriate for our younger campers.
