TO PARENTS OF PRE-SCHOOL CHILDREN

Dear Parents:

Applications are now being accepted for the 1960-61 term of Trinity Parochial School.

We feel that our first loyalties belong with you, who have supported Trinity School in the past, and are giving you the opportunity of enrolling your children before April 18. We will accept no further applications from outside sources until that date, thereby giving you first refusal on existing vacancies.

By necessity the number of children we can accommodate in each class must be limited; therefore, the first complete applications we receive will determine which children will be enrolled for the 1960-61 term.

The tuition is payable in monthly installments of twenty dollars for one child or thirty-two dollars for two children in the same family.

The final registration may be completed by filling the enclosed forms and mailing them together with your check for the five dollar Registration Fee to the Church Office, 3550 Morning Glory Avenue. This fee is non-refundable and non-deductable.

In past years we have turned away many children, only to find that early applications for enrollment were cancelled for various bona fide reasons. If you find the status of your registration has changed, please notify the office at your earliest convenience.

We hope your association with Trinity School has been a pleasant and helpful one and pledge to you our unceasing efforts to improve our program, and to enrich the lives of your children with specific experiences designed to help them lay strong foundations on which to build future concepts.

Sincerely,

Lenore A. Fergusson
