

Dear Friends,

Welcome to a new school year! We are brimming with excitement about all that this year holds for our families and students and recognize that so many opportunities were made possible by the generosity of your giving during the 2021-2022 school year.

We invested in iPads with keyboards, outfitting our first through fifth grade students with a 1:1 ratio to inspire technology opportunities in these classrooms. We added two 3D printers to the Science Lab to enhance our Mystery Science curriculum and bring our students' designs to life. We also added additional security cameras to our campus and invested in a platform that provides us with instant identity and background checks for all on-campus visitors.

We upgraded the Lousteau Playground with sensory and imaginative play elements that foster cooperation and collaboration as well as language and fine motor development among our youngest learners. Further, we are upgrading the Swenson Playground, a project that will be completed in September, to include five additional pieces of challenge course based play equipment along with new playground borders and a raised seating area for outdoor classroom space. The entire playground will be outfitted with Jellybean Rubber Mulch, a clean, safe and child-friendly playground cover material. We are so excited to play!

We continue our commitment to being a learning institution demonstrated by the many hours of professional development our teachers have undertaken this past year. The technology improvements, campus enhancements and financial assistance program were made possible thanks to the generosity of Trinity's supporters.

At Trinity, we strive to provide the foundation for lifelong learning. Thank you for your commitment to our mission and the support you showed during the 2021-2022 school year for our students, faculty and school. Your Promise Fund gifts ensure that we will be able to continue the Trinity Tradition of Excellence going strong long into the future.

Faithfully,

Marsha Palmer  
Head of School

## Your Promise Fund at Work!

### Academic & Co-Curriculum Programs

- Great Minds ELA Suite including Wit and Wisdom, Foundations, and Geodes
- One hundred and fifty new library books
- A Kiln
- A Hydroponic Garden

### Campus Enhancements

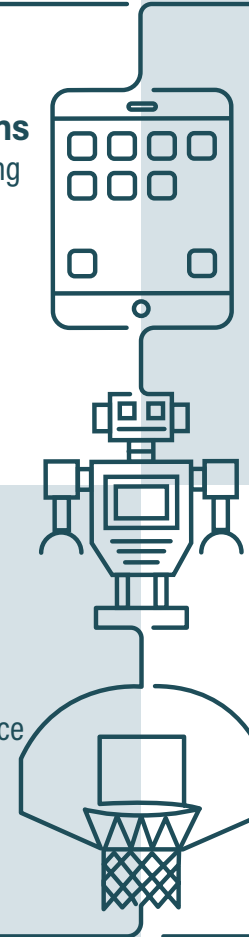

- Upgrade to Swenson Playground equipment
- Jelly Bean Rubber Mulch playground cover
- Upgrade to Lousteau Playground elements
- A new basketball goal
- Class garden boxes, rain barrels and compost bin

### Professional Development

- Responsive Classroom 4 Day Institute
- SAES Early Learning Conference
- ALICE 360 Training

### Technology Upgrades

- Sixty-five Ipad keyboards
- Two interactive Promethean display boards
- Visitor Management software

## Congratulations Class of 2022

## 2021-2022 Promise Fund Donors

### Promise Angel | \$2,500+

Maura Clark and Vance Albaugh  
Xi and Andrew Stich  
Lauren and Will Wade

### Promise Captain | \$1,000 - \$2,49

Rev. Nancy and Frank Andrews  
Regan and Micheal Baker  
Amy and Michael Brown  
Louise and Mike Bruce  
Jennifer Crist and Benjamin Duff  
Karen and John Gay
